

CPAVerify Individual Report Results

NAME: JOHN MALCOLM CARR
 STATE OF LICENSE: OK
 LAST UPDATED: 2015-05-26

Address:

License/Permit/Certificate Number: 8759

Registration Number:

License/Permit/Certificate Status: ACTIVE

License/Certificate Status Details: An individual who possesses a CPA Certificate or PA License and who has not otherwise been granted Retired or Disabled status. CPA Certificate/PA License is in good standing. Also refers to firms that are licensed and in good standing.

License Type: CPA

License Type Details: Certified Public Accountant. Individual can issue a report on financial statements of a person, firm, organization or governmental unit or offering to render any attest or compilation service. Individual can also use other accounting skills, including the preparation of tax returns, management advisory services, and the preparation of financial statements without the issuance of reports. (No Limitations)

Basis for License: RECIPROCITY

Basis for License Details: Reciprocal Certificate/Permit to Practice. Oklahoma is a two-tiered state, requiring individuals wishing to practice public accounting in Oklahoma to obtain a Certificate and Permit to Practice. Individual holds a reciprocal certificate or permit to practice in OK. Only applicants having a valid unrevoked license to practice as a CPA from any jurisdiction and who are planning to relocate to Oklahoma may apply for a Reciprocal Certificate.

Issue Date: 1986-04-24

Expiration Date: 2016-05-31

Enforcement, Non-Compliance or Disciplinary Actions: None Reported To This Site By The Board

Other Information:

Contact the Board for official verification of information.

Details of Enforcement, Non-Compliance or Disciplinary Actions:

1. If "Contact State Board For Details" is displayed then the State Board has reported some type of enforcement, non-compliance or disciplinary action to this site and the State Board should be contacted for full details about the action reported.
2. If "None Reported To This Site By The Board" is displayed then the State Board provides enforcement, non-compliance and disciplinary action data to this site and none was indicated for this record.
3. If "State Does Not Provide This Type of Data At This Site" is displayed then CPAVerify is not currently receiving enforcement, non-compliance or disciplinary action data for licensees in this state. Some states are limited to sharing this type of data with third party websites due to privacy laws or policies, but most State Boards offer this information on their official State Board websites.
4. Contact the State Board for official verification of all enforcement, non-compliance and disciplinary activity.

The results shown here include all data made available by [participating states](#). Additional data about the individual or firm may exist and is not shown here for other states that are not yet participating in the CPAVerify website. Please refer to the [Participating States tab](#) for more information about which states are currently sharing their licensing data for use with this website and for clarification about which states these results do not include. If the Board of interest is not participating, you may refer to the ["Contact Boards"](#) tab where a link to every Boards' website and therefore individual license lookup tool is available.
